**How did we get here....**

**Today is March 254th 2020.  
This was supposed to be an easy year!**

## How did we get here...

# January 2020

- Location was save!
- Optimisation from 2019 was already kicked off
- Plenty of time left.
- Everyone happy

## How did we get here...

# March 2020

- Location is save!
- Everyone was wondering if this is going to take a few weeks or a month.
- Plenty of time left.
- Everyone happy... ish!

## How did we get here...

# April 2020

- First discussion with the Location.
  - November is still far away.
  - They have plenty of toilet paper.
- We had to cancel our RIPE80 PreSocial Event.
- Plenty of time left.
- Everyone still happy... kind of ish!

## How did we get here...

# May 2020

- Discussions with the Location become more serious
  - November is still far away.
  - Toilet paper seems to be still ok
- Plan B: Venueless Planning and Discussion starts.
- Plenty of time left.
- Let's wait as long as possible to cancel!

## How did we get here...

# August 2020

- Location will most like be limited to max 60 People until the end of the year.
- Plan B now becomes Plan A
  - In Venues we believe.
- Plenty of time left.
- Announce to go virtual.

## How did we get here...

# October 2020

- COVID-19 rates are going up again in Germany
- We have to develop Plan A, B, C, D
  - How do we produce this potentially in full lockdown?
- Decision to make Video Production & Streaming DIY
- One month left - this is going well

## How did we get here...

# October (2) 2020

- Partial Lockdown announced starting 2nd November 2020
- Number of people in the production / streaming studio is reduced significantly
- Plan E: How many people do we actually need on site? Health and safety concept.

## How did we get here...

# November 2020

- 290 \* 3 Sticker
- 290 T- Shirts
- 290 Agenda Cards
- 290 Community Masks
  
- 290 Goodie Bags already shipped!
  
- about 340 Bags left to full-fill and ship.

## How did we get here...

# November 2020

- Venueless: from 0 - Leading Conference Tool in less than 7 month
- DENOG VOC: from 0 - 90% in less than 5 month
- Happy again ;-)

## Facts & Figures

**29**

submissions

**23**

submitters

**7**

workshops

**Final Agenda 225 reviews & a few calls later**

## Workshops are becoming more important

- We started at DENOG11 with 172 registrations
- In the beginning we only had 3 workshops
- After some begging we got up to 7
- 247 registrations at DENOG12

## Why Workshops?

- We discourage marketing talks and product presentations for the conference
- However this is still relevant to many of you
- Workshops offer a place to dive deeply into technology and to get hands on experience
- Workshops are opt in rather than single stage

**Thanks to all presenters & submitters!**
