From a City Provider to a global Cloud Provider as a career starter

Florian Tschiedel 09.11.2020 DENOG12

Who am I?
Florian Tschiedel

- Network Engineer / Network Operations at ANEXIA

- Based in Vienna

- Trainee til January this year

- Previously worked for

  - City Provider

- American Football enthusiasts

Florian Tschiedel 09.11.2020 DENOG12

My first day

- Introductions of the colleagues

- Password management

- New processes and rules

- New tools and approach

1. full Week
Workshops Workshops Workshops

- Workshops

- First project

How did I integrate into the team?

- Looked over the shoulder of my colleagues

- Job refused

- Waited until someone came up to me

- Colleagues asked if I can support them

Florian Tschiedel 09.11.2020 DENOG12

Troubleshooten

- Packet-Loss?

- MTR?

- Routing Probleme?

Florian Tschiedel 09.11.2020 DENOG12

Summary

- Ask too much rather than too little

- Take the time to deal with everything

- No miracles were expected of me at the beginning - already now ;)

- Also take a look at topics you haven't heard of yet
